

February, 2010

Dear Educator:

The Maritime Event Center, formerly the Odyssey Maritime Discovery Center, is proud to present the **12th Annual Maritime Career Day** in conjunction with **MARITIME FESTIVAL** on **Thursday, May 6th, 2010 from 8:30 am to 2:00 pm**. Please join us for this fun and educational day.

Career Day provides a unique opportunity to take a glimpse into the working world of trade, transportation, fisheries, government and career training. Representatives of these sectors will be present to offer information and insight into the growing and varied maritime job market, one of the largest and often least understood employment sectors in Washington State. With one out of every four jobs in Seattle related to this sector, students will have the chance to learn about career and educational opportunities and the type of preparation required.

Career day will consist of two distinct venues. Inside, students will visit information booths, sit in on our Speaker Series, and participate in demonstrations with representatives of various companies and organizations. Outside, students and adults will step aboard and explore working vessels and have the opportunity to hear crew talks and observe demonstrations.

This opportunity is offered to students **FREE** of charge. For more information and to reserve your place, please contact me:

Phone: (206)269-4108

Fax: (206)441-6665

Email: csandkam@MaritimeEventCenter.com
